This graph displays the estimated annual energy costs based on quotes received for your business. Prices shown do not include GST or supply charges.

This graph shows your average energy usage by 6 hour time periods for each month.

Next Steps

1

Look through this report. Carefully read the retailer contracts and Terms&Conditions before you select a retailer. If you would like some assistance, feel free to give Switchme a call to discuss your options.

2

Once you've decided on a retailer, give your Switchme Energy Consultant a call on the number listed on page 1 of this report to let us know who you've chosen.

3

Switchme will contact your chosen retailer, and request they get in touch with you to switch you over and formally sign any agreements.

Useful Information

The switching process can take up to 10 working days to complete. During this time you will receive a final invoice from your previous retailer.
